

Welcome to CSE114A!

How long and what kind of a commute did you have to get here today?

me - 20-minute ebike ride ♡

longest - 3.5 hours driving ← hopefully not every day.
shortest - 1-minute walk

agenda:

- course mechanics
- what is PL?

the subfield of
Computer Science

What do PL people do?

- Consider the programming language to have a central place in solving computing problems.
- Consider software behavior in a rigorous and general way.
